

# Shortage Claim Detail

<b>Invoice Number :</b>	6520770720
<b>Shortage Claim Number :</b>	6520770720SC
<b>Shortage Claim Amount :</b>	\$7.50
<b>Description :</b>	4DRRSO4W/Auto Created/

This deduction is taken when Amazon.com receives a portion of product invoiced, and wishes to pay in the amount of the product received. You will see this deduction taken as [original invoice number] + SC. Please create a credit in your system and wash with this deduction amount.

If you wish to contest this shortage claim, please send a Proof Of Delivery to your Amazon.com Finance Assistant. When providing a proof of delivery, please include the following:

- Proof of Value - Please provide a copy of the original invoice to show proof of value.
- Proof of Shipment - Please provide a Bill of Lading to show proof of shipment. For small package shipments (UPS, FedEx), please provide a stamped or stickered packing slip or shipping document to tie the invoice to the tracking sheet.
- Proof of Delivery - Please provide a copy of the delivery receipt to show proof of delivery. For small package shipments (UPS, FedEx), please provide the signature tracking page that shows weight.

Note: For all proofs of delivery, there must be a systemic (not handwritten) tie from the invoice to the delivery receipt. In the event there are multiple P.O.'s/invoices combined in a single shipment, please provide P.O.D. for all invoices referencing shipment P.O.'s. including the invoice copy and pack slip for each P.O. referenced on the B.O.L./Delivery receipt.
